Desert Hawks Team Sponsored Events and Operations

From time to time the Desert Hawks will host large scale events that are open to the general public. Unless noted otherwise due to field restrictions these operations will use the TAC Rules and TAC Code of Conduct. If you plan on attending a Desert Hawks sponsored event please be sure to take time to get familiar with those guidelines. You can find them at this link:

While the Desert Hawks make every effort to host safe, fun, and large events for all to enjoy, sometimes things may not be fun for everyone. That being said, we as a team, encourage you to pass your feedback positive or negative back to us either in person or on our forums located on this site and let us know what you think. It is this process of feedback that lets us know what works for you and what doesn't so we can continue to improve our offerings for the community at large.

As always, if you have any questions or concerns, feel free to grab any one of us in person or online. We hope you enjoy our events now and for many years to come.
