The Outskirts of Grozny

STORY

The initial Russian offensive into Grozny has failed. Underequipped, and without armor, the last remaining ground troops are trying to regroup in the forests on the outskirts of the city. Supplies have been dropped, but the initial drop zones were compromised forcing the cargo planes to just scatter supplies in the wind.

The Russians must now try to gather as many supplies as possible, and regroup. The chechens, however, are swarming through the forest trying to snatch and grab whatever they can to continue their guerilla war.

Chechen's:

-Camo requirements: Woodland.

Rules:

-Mid-caps only. The only exception is with the use of a real world support weapon.

-18+ game

-The AO requires Bio bbs (agreement with the forest service) to play there. Bring your bag UNOPENED with you when you chrono. If your bag is open you will not be able to play.

To make things run smoother:

As soon as you arrive, bring all your mags, unopened bio bbs, and gun to the chrono station. Have your mags bottom up (chrono jockey needs to see that your mags have no wheels), show him your unopened bag, Give him your empty mag and chrono. This whole process should only take a minute or two.

BE WARNED:

-Anyone who thinks they can slink by with regular BBs will be told to go home.

-Anyone who uses a highcap in a regular gun will be told to go home.

-If you BS and miss chrono time, sucks for you. It's your responsibility to make sure you get everything required before the brief.....if you are caught without a ziptie on your gun, you will be told to go home.

Anyone who refuses to go home after breaking a rule will cause an immediate cease fire for the game, and you can go around telling everyone why the game had to stop.

Raffle from AEX will be held after the game. To encourage the use of Russian military equipment (or anything to authentically enhance your chechen loudout), We will give an extra ticket to anyone who actually makes an effort to look

the part. That means you can double your chance for some nice goodies simply by wearing the right clothes.
