Prologue When it begins... Who will you side with?

STORY

The year is 2025... San Francisco lays in waste... The UN has all but fallen... China has bankrupt dozens of world powers... Nations turn on one another and civilization grinds to a halt... This is the dawn of a modern dark age...

The United Nations Response Forces are the military arm of the flagging UN. Will you join them in bringing peace and prosperity back to the world?

Red Fall started as a Veteran outreach program but became so much more. Will you join them in bringing stability back to an unstable time?
